## Description

Custom built 6 bedroom/3.5 bath on .40 acre manicured corner lot. Many upgrades, granite, stone and flooring. Welcoming covered entry, with new tile entryway, in open and spacious living and kitchen spaces. Main floor has 3 bedrooms, with master retreat secluded and quiet with walk-in tile shower, double vanity, luxurious jetted tub and huge walk-in closet. Main floor laundry, and back door drop zone for keeping everyone organized. The kitchen has granite counters, breakfast bar, beautiful backsplash, walk-in pantry and dining area. Lower level finish is exquisite, wetbar w/ granite, included appliances and backsplash, 3 more spacious bedrooms, one with private en-suite that your guests won't ever want to leave. Two more with convenient 1/2 bath nearby. This home really is set up for every stage of living and entertaining. The yard is meticulously cared for and the covered patio right off the dining area expands your living space and entertaining area. The new invisible fence allows Fido to run about with no worries. Grab the bubble wrap, you literally only have to unpack your treasures and hang your clothes and call it home. Hurry. (Room sizes to be verified by buyer.)  
\$447,500
