## Description

Welcoming 4+ bedroom, 3.5 bath home with quality finishes throughout and newer lower level finishes. From the covered front porch to the amazing deck, the views are lovely and landscaping provides seclusion and shade on those warm sunny days or protection on those windy winter days. Formal DR w/ cherry hardwood floors greets you at the stately entry with buffalo stone/marble floors. And 2 story LR ceiling is stunning, spacious and freshly painted. The custom eat-in kitchen was designed by Dakota kitchens and is magnificent. The deck is right off of the kitchen with rod iron railing and covered patio below. Gorgeous views of the pond, and sunsets are amazing. Private master suite has an enormous walk-in closet, heated slate floors, slate shower, whirlpool tub, and double granite separated vanities. Privacy and space, a great escape from the hectic day. Second floor has two large bedrooms, full bath, with walk-in tile shower. Fabulous design and finishes. The walk out lower level is recently finished. Fabulous family room with theater area, gaming area, den, kitchenette with large granite bar, full sized refrigerator and DW, perfect for all the family get-to-gethers or movie night with the kids. The 4th bedroom and 3/4 bath completes the transformation. Exterior has cedar shake, stone, and lifetime warranty shingles. Time to get packing..... (room sizes to be verified by buyers). \$525,000
